Welcome

Dear Applicant,

It is my privilege to welcome you to Stamford Bridge Primary – a popular school, held in high regard by the community it serves. The school offers high quality teaching and excellent pastoral care. We attract families from Stamford Bridge and neighbouring villages.

Our dedicated and hardworking staff team are committed to ensuring our children do well in all that they do. Our expectations are high and achievement and successes of all kinds are expected and celebrated.

We try to make learning creative, stimulating, inclusive and fun with plenty of challenge and collaboration. Our children leave Stamford Bridge with the skills and tools they need to become lifelong learners who are responsible, respectful and exemplary members of their community.

We strongly believe in our school motto and values:

Nurturing a love of learning through excellence, inspiration and wonder.

Believe, Engage, Succeed, Together

We care about providing a safe and stimulating learning environment, we care for and about each other and respect individual's strengths. We nurture pupils' imagination and creativity as part of a curriculum that develops communication, self-expression, originality, problem solving and awe and wonder.

We believe strongly in life-long learning and releasing the potential of our pupils through high quality teaching. We strive to foster pupils' self-esteem, resilience and positive attitudes to learning. Above all we want all our pupils to achieve and be proud of their achievements. We do not pay lip service to these values; we live and breathe them because they permeate all aspects of our school life and make a significant contribution to pupils' academic and personal development.

Hear from our pupils

One thing I like about our school is that it has lots of great books on the bookshelf. **Imogen-Rose, 9 years and 10 months old**

My favourite things about this school are that we support each other and everybody is treated the same. **Kara, 11 years old**

Our school is nice and lovely and the teachers are very kind to us. **Adedire, 7 years old**
